Select one:

Name _____

Oden Institute Affiliated Faculty

Department _____

Other (if not Oden Institute Affiliated, must attach petition, see below)

Project Description

Course to be taken

CSE 370

Other _____
(please specify course #)

Signatures

Supervisor _____ Date _____

Student _____ Date _____

CSE 370 is offered on pass/fail basis only.

Signed form must be submitted to CSEM Graduate Coordinator: certificate@oden.utexas.edu.

*Petition instructions: If proposed supervisor is not a member of the Oden Institute Affiliated faculty, attach a project summary (1/4 - 1 pg) that includes: the goals of the project; the broader research program into which the project fits; and what the student will be doing. It should indicate what the student will learn in terms of computational science and engineering.
